Thursday,
June 11, 2015

Colorado
Count on Concrete

Concrete Overlays: Learn how to resurface your old parking lots, without tearing the old one out!

Introduction: Why Concrete, Why Now? – Peter Deem, Dwayne Fuselier, Steve Sarro, and Jason Murphy, Pinehurst Country Club BOD Executives and Management

Easy Design Principles – Jon Hanson, Senior Resource Director, National Ready Mixed Concrete Association will provide an overview of design and construction principals of concrete overlays.

Concrete Resurfacing from a Contractor's Perspective – Leonard E. Velasquez, Owner of SLV Quality Concrete and the contractor responsible for the rehabilitation of the Pinehurst County Club project, will provide the contractor's perspective on cost effective construction techniques.

3D Laser Screeds – Troy Krieger, Owner Straight Line Lasers, will discuss the new technologies in 3D laser screed machines and the capabilities of placing contoured concrete pavement.

Main Line Paving – Tony Roberts, Scott Contracting, will showcase the latest technologies in the new main line paving machines that can be effective for large concrete contoured placements for parking lots.

Overlaying Parking Lots Marketing Plan – Dave Gray, GCC of America, will unveil, "Go for Concrete in Colorado with the Top 25's", a new marketing plan to develop this major untapped market. Dave will issue a call to action!

Who should attend: Ready Mixed Concrete Suppliers and their customers, general contractors, Country Club managers, and various industry professionals.

Concrete Overlays: Learn how to resurface your old parking lots without tearing the old one out!
